

Award-Winning **ANTI-TRESPASSING COMPETITION**

BACKTRACK

**ENTER FOR A CHANCE TO WIN
FREE Rail Cards and a GoPro Hero 9 Bundle**

We want to reduce the number of young people trespassing on our railways. Especially those doing so for likes and shares on social media. It's dangerous and can cause death or serious injury. We need **YOU** to create a simple, but powerful, message to make young people aware of the dangers of trespassing and to encourage them to stop.

Please use the space overleaf to design your social media graphic and send it to us for a chance to win great prizes including a go-pro hero 9 bundle and rail cards. There are some ideas to help you on our website (Scan the QR code below to access it or go to www.backtrackcompetition.co.uk)

In addition to creating a social media graphic, why not use the pledge card below to help you create a 20 second video that could go into a message that will be shown at stations across the UK and across social media platforms? Enter on our website or tag us on social media. (Please ensure you film in a safe environment).

You can enter both a video and a social media graphic.

Follow the competition on social media:
